# High pressure lot cleaning system.

Make cleaning your lot simple and efficient.

Simple install with only 6 ft<sup>2</sup> of floor space required

*"We have been completely stress-free since we have had Xtreme Wash Gear handle our power washer needs. The product line they carry has handled everything we can put it through. It is durable, rugged and very user friendly. With the knowledgeable staff, technicians, and prompt service, it just takes one phone call to Xtreme Wash Gear and our problems are resolved and our stores are back to a new working condition!"*
